**HSC**

Shree kadvibai virani kanya vidyalaya School

2022 – 2023 | Rajkot, India

### PROFILE

A passionate and motivated Full Stack Web Developer, currently pursuing a BCA. Skilled in MERN Stack with hands-on experience in responsive web design and practical knowledge from the Institute of Red & White Education. Known for creating user-friendly, responsive, and efficient web applications. Eager to contribute innovative solutions and grow with a forward-thinking organization.

### EXPERIENCE

#### ELIXIR

Designed and developed a modern, responsive business landing page with interactive UI.

Features include a hero section, services, portfolio, testimonials, and a contact form.

Ideal for corporate, agency, and portfolio websites.

#### FOREVER

React.js, Tailwind CSS

Built a fully functional e-commerce platform where users can explore, filter, and sort products.

Implemented a shopping cart with product variant selection (size, color).

Integrated order placement, delivery address input, and multiple payment methods (COD & Online Payment).

#### SEODASH

Node.js, Express.js, MongoDB

Developed a secure admin dashboard with OTP authentication, secure login, and forgot password features.

Implemented real-time data updates and user management functionality.
