## ABOUT ME

A passionate BCA student currently in Semester 4, with additional training in Full Stack Development. Skilled in HTML, CSS, JavaScript, React, Node.js, MongoDB also. Gained hands-on experience and practical knowledge from the Institute of Red & White Education. Known for creating user-friendly, responsive, and efficient web applications. Eager to contribute innovative solutions and grow with a forward-thinking organization.

## EDUCATION

**2023 - Present**

**Bachelor of Computer Applications.**

Saurashtra University, Rajkot, Gujarat.

**2022 - 2023**

**Higher Secondary School**

Shree Kadvibai Virani Kanya Vidyalay School

## PROJECTS

**Forever**

Developed a modern fashion e-commerce platform using React.js with a clean UI, product filtering, and dynamic components for a seamless shopping experience. Features include latest arrivals, best sellers, and an organized collection display for easy browsing.

**KicksHub**

Designed and developed a sleek sneaker e-commerce platform using HTML, CSS, and JavaScript, featuring a stylish UI, product showcases, pricing details, and seamless shopping experience with features like free color and size.

## SKILLS

- **Frontend :** HTML, CSS, JavaScript, jQuery, Bootstrap
- **Backend :** Node with Express.js
- **Database :** MongoDB
- **Authentication :** Firebase, JSON Web Tokens (JWT)
